

# CASTLEMAINE FRINGE *mm* FESTIVAL 2023

17th March - 2nd April

# Art Windows Trail **20** **23**

Castlemaine Fringe Festival and Business Mount Alexander invite you to take a tour of Mount Alexander Shire and take in the variety, creativity and ingenuity of local artists.

The Fringe 2023 Art Windows Trail features small works hidden in shop windows, installations taking over empty buildings, and art that transforms our streetscapes into a multitude of galleries – this is what happens when visual artists come out of the studio and into the street!
